THE ART OF PRESENTATION

THE ART OF PRESENTATION

You're not just setting a table. You're creating an experience, telling a story, sharing a culture - and food is at the heart of it. Food brings people together and connects them to tradition and inspiration.

At Steelite, we believe that tableware should do more than serve your food - it should serve your vision. We design, craft and curate the very best in tableware for chefs and concepts across the globe.

Partnering to create an unmatched range of inspired tabletop experiences where shape, colour, texture, light and weight combine to feed the senses. Helping our customers set the stage for their menus and their brands. Elevating presentation to an art. Steelite. The Art of Presentation.

who we are

Steelite International is a world leading manufacturer and supplier of award winning tabletop, buffet and lighting solutions for the hospitality industry. New for 2023, Craft Aqua - Bringing a fresh and vibrant hue to the iconic collection. Inspired by hand-crafted, simple country wares made by generations of potters over hundreds of years. The range embodies the beauty of rich, lustrous glazes applied by hand, and celebrates chance effects and reactions which occur naturally in the kiln. Craft Aqua coordinates beautifully with Craft White which offers a natural coastal theme

Introducing Off Grid Studio - Gembrook, Steelite have teamed up with Potter Sam Gordon to create a unique collection of stoneware. Taking inspiration from his simplistic yet beautifully hand-thrown designs, we are pleased to introduce the exclusive collection to Steelite International. A fully vitrified clay body, decorated with a reactive glaze, Gembrook is "The Essence of Hand-Thrown Stoneware", in a commercially viable product!

cordless warming induction for use anywhere

The D.W. Haber Power Cell is a revolutionary solution for keeping food hot for extended periods of time. The sleek and elegant design makes it a stylish addition to buffets & food stations, and its cordless battery operation allows it to be used anywhere. The Power Cell has a 6-hour recharge time so it can be used for multiple meals per day, and it is a cost-saving solution as it compares to repetitive purchases of chafing fuel. The first of its kind, this induction unit is energy-efficient and operates quietly, ensuring that it won't disturb the ambiance of the setting.
