

THE ART OF PRESENTATION

# Concorde

The Concorde range is imbued with the sophisticated aesthetics of classic Mid-Century styling. Clean lines and a fresh, understated tactile surface are balanced with a warm, approachable, off-white body colour to provide a casual yet crisp food presentation style.

All items are carefully designed to be discretely functional in a busy kitchen as well as providing excellent durability. Stackability is a key feature, enabling efficient storage of items, as is compatibility which allows different items to be stacked together and use a common saucer.

Using both coupe and rimmed profiles, the Concorde range provides a modern, yet functional aesthetic to showcase the very best cuisine.
