## RENE OZORIO

Rene Ozorio is a tableware designer, art director, and stylist of hotel & restaurant concepts. His style and eclectic philosophy distinguish Rene, while he's inspired by nature and constantly in search of all the influences that cross the world of design & culture. He references cultures, both occidental & oriental while creating a rich language that speaks to the clients of hospitality & dining and uses these references & ideas in his work.

A native of Hong Kong, Rene Ozorio started with styling tabletops for restaurant hospitality groups such as Mandarin Oriental, Shangri-La, Ritz Carlton, Four Seasons & Meridian.

Unable to find tableware that spoke of contemporary dining and that answered the needs of chefs, he started creating tableware in the 1980's. Working with manufacturers such as Bernadaud, Nikko, Miyama, Patra and Royal Porcelain, he created new shapes & glazes that broke the norm of traditional tabletop settings.

With a philosophy of creating a unique dining experience that complemented the interiors, he developed a signature of casual, yet sophisticated tableware & accessories that added to the mood of the restaurant & cuisine. For the last 30 years, his brand "Rene Ozorio" is known for the elegant sculptural shapes that provide a unique canvas for chefs.

Essence is a new shape in porcelain designed by Rene Ozorio. The collection of rimmed presentation and banquet plates, coupes, trays, and bowls provide a clean, modern look for tabletops and food presentation.

For Rene Ozorio, Essence signifies “the return to the pure nature of white porcelain in a shape whose sculptural simplicity speaks of modernity.”

The thin, elegant profile provides a light & contemporary product that is durable and ideal for hotels & restaurants.

ATELIER

by

Rene Ozorio

*“in praise of shadows” ~Jun’ichiro Tanizaki*

Atelier: the name evokes the hand of craftsmen and the tradition of artisanal fabrication. The realisation of this fluid optical design was through the collaboration with artisans, who hand carved the models for each piece. The calculation of the embossment and the glazing produces an effect of ebbing water in the tide pools. Designed with fine dining in mind, the lightness in weight and porcelain colour speak of quality and craftsmanship.

“Atelier is inspired by nature, light and shadows. I was reminded of the days by the sea, watching the changes in the sand & pools of water brought by the ebb & flow of the tides.

The element of water in motion.” ~ Rene Ozorio
