Ogni momento nella tua casa è speciale.

Un'occasione per sfuggire dalla frenesia della quotidianità, un'opportunità per ritagliarsi istanti di autentica serenità. Intorno alla tavola, si consuma un quotidiano rituale di piacere, un istante da preparare con passione e cura dei particolari.

Un attimo magico per dedicarsi a se stessi e alle persone che si amano, un'occasione per dare spazio a un'opera creativa, facendo della cura dei dettagli un gioco di luci e colori.

Sarà l'ispirazione individuale a creare uno spazio luminoso, moderno e dinamico di raffinata eleganza e rilassante rapimento.

Every moment in your home is special.

An opportunity to escape from the frenzy of everyday life, an occasion to treat yourself to moments of authentic peace.

Around the dining table, a daily ritual of pleasure takes place, a moment to prepare with passion and attention to detail. A magical time to focus on yourself and the people you love, an opportunity to make room for creativity, playing with light and colour.

Individual inspiration will be what creates a bright, modern, and dynamic space of refined elegance and relaxing bliss.

L'unicità del Made in Italy

The uniqueness of Made in Italy

I servizi tavola 18 pezzi Andrea Fontebasso Made in Italy presentati all'interno del catalogo 2026 sono realizzati grazie all'innovativa tecnica di decorazione digitale e al nostro saper fare italiano.

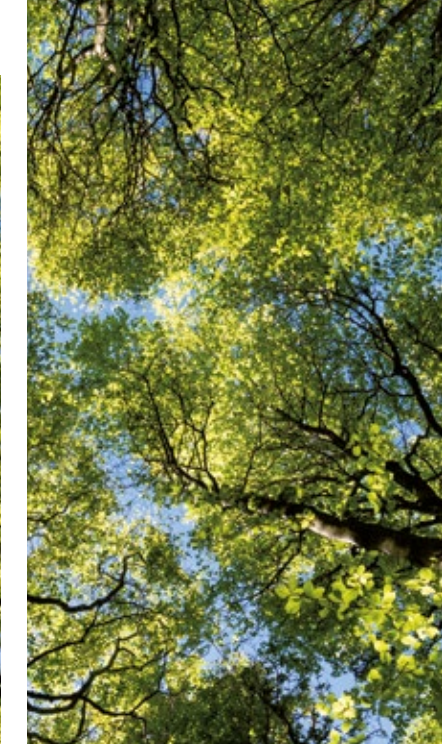

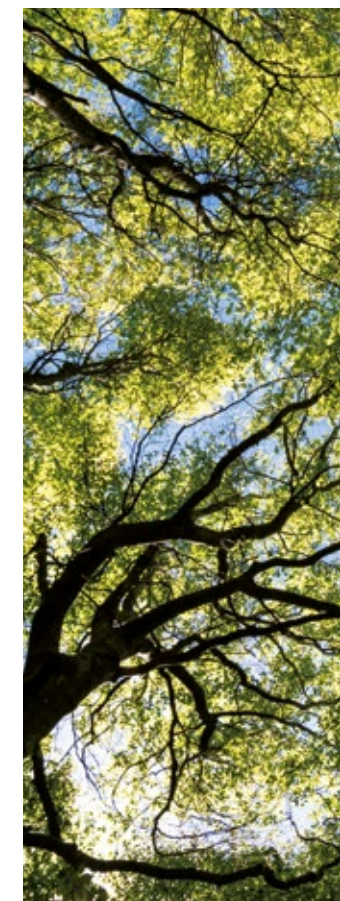

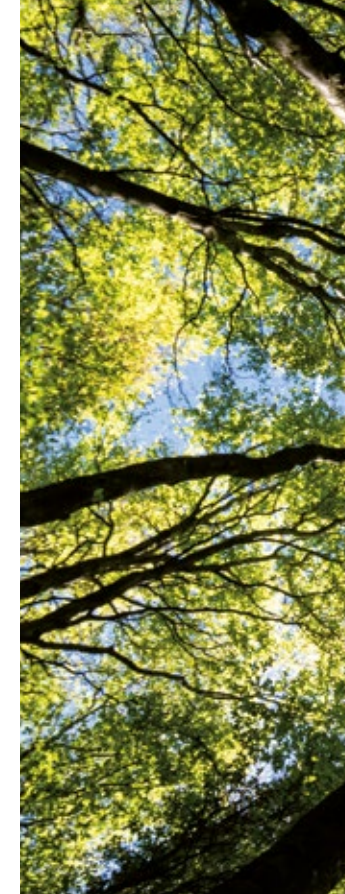

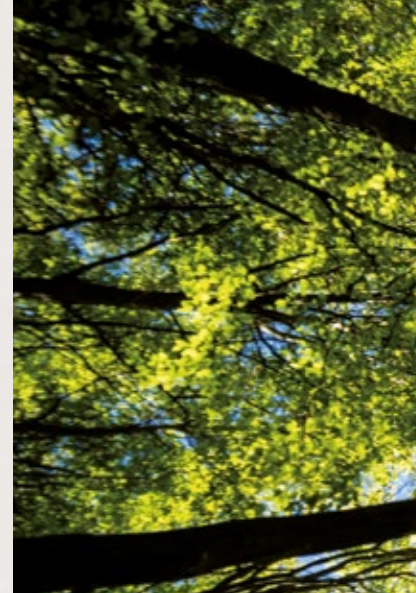

L'intero processo di realizzazione è effettuato in Italia a garanzia dell'eccellenza di ogni fase che include progettazione, design, ideazione decoro, realizzazione, verniciatura, decorazione e cottura, imballo e spedizione, fino all'assistenza post-vendita.

Il risultato è una bellezza senza tempo e una qualità superiore grazie alla maestria del processo creativo e produttivo italiano abbinata ai vantaggi della tecnologia di stampa digitale del decoro che, insieme, assicurano un decoro indistruttibile, che non sbiadisce e rimane invariato nel tempo.

The Andrea Fontebasso Made in Italy collection table set presented into the 2025 catalogue are created thanks to the innovative digital decoration technique and our Italian know-how.

The entire manufacturing process is carried out in Italy to guarantee the excellence of each phase: planning, design, decoration design, creation, coating, decoration and firing, packaging and shipping, after-sales assistance.

The result is a timeless beauty and superior quality thanks to the mastery of the Italian creative and production process combined with the advantages of digital decoration printing technology which, together, ensure an indestructible decoration, which does not fade over the years and remains unchanged.

Un progetto ecosostenibile

A sustainable project

La filiera corta di un progetto tutto realizzato in Italia concentra le attività in un unico luogo evitando una serie di consumi che sarebbero altrimenti necessari per spostamenti o lavorazioni esterne. Inoltre, scegliere un prodotto della linea Made in Italy Andrea Fontebasso con decoro stampato digitalmente contribuisce a salvaguardare l'ambiente in quanto la produzione richiede minori consumi energetici, per la particolare tipologia di cottura e lavorazione che necessita.

The short chain of a project entirely carried out in Italy concentrates the activities in a single place, avoiding a series of consumptions that would otherwise be necessary for transportation or third-party processing. In addition, choosing a product from the Andrea Fontebasso Made in Italy line with a digitally printed decoration helps protect the environment, as the production requires lower energy consumption, due to the particular type of firing and processing that it requires.
