

Mogogo X Tray

Built for service.
Designed for experience.

The Uplifting Risers

Designed to elevate presentation, the X Tray collection is crafted from bamboo – renewable, eco-friendly and strong. With a variety of dimensions, these risers seamlessly combine allowing endless compositions. Change the height, depth, and flow to match your service needs and aesthetic. No matter how you choose to use them, they bring structure, versatility, and artistry to any dining experience.

EXPERIENCE

Where
presentation
meets
composition.

UPLIFTING RISERS

The Full Set

The complete set of seven trays, in varying heights and depths, is designed to interlock and create a visually impactful setup during any service. Using both vertical natural-colored bamboo boards and dark carbonized bamboo legs, the risers perfectly balance durability, functionality, and style – a system built to last and make an impression.
